W. M. SHUSTER & SONS. 919 PENNSYLVANIA AVENUE.

N. B.-The best is the cheapest. IT IS WITH A FEELING OF ing such a feeling of surety are many.

nd it is natural that we wish mainly to impress those deterred purchasers that we want as many of them as ossible to come early in the morning, in order to avoid the rush you must encounter in busy season. As we wish to show every customer proper attention, we would like to have it so arranged that you all do not come at one time. So those that can come in the early portion of the day would do well to do so, and at the same time obligate us. We recommend a careful perusal of the prices we quote, as they are the lowest prices at which these goods can be offered. We show all the different novelties in DRESS GOODS, both for dress and street wear, that have been

Our buyer attended a large auction sale in New York on last Thursday and bought some of the greatest bargains in SILKS and SATINS yet known. All of which we are willing you should have part of the benefit of. Through this purchase we are enabled to sell you a

75c. Satin in all the different desirable shades AT 50c. A \$1 Gros Grain 20-inch Silk in Black

AT 82c. Fancy Satins and Silks proportionately low. We have a beautiful line of Embroidered Satins something superb, very reasonable. Our stock of Plain and Brocade Velvets are not alone the largest, but the most varied. We still sell a Nice Velvet in all colors and black AT 90c., FULLY WORTH \$1.

Plush in all the different shades and all styles ever

produced. A 24-inch Silk Plush at \$1.75. Our stock of Canton Flannel Plushes is enormous We can give you the different colors in single face or double face; also double width. We are now selling a 54-inch double face Canton Flannel Plush at 50c. We also carry a full line of Figured Canton Flannels at 25c. per yard. Some very neat patterns in these goods. These can be used for lambrequins, portieres,

or for table or mantel coverings. EIDER DOWN. So much in demand now. We marked ours to sell at 1 pe. yard. This is a full yard wide. We have these in the most delicate shades. On our Flannel Counter (first floor, 7th-street annex.

This is the most desirable goods for the purpose in-27-in. White Striped Cotton Plush, at 75 cents per yard. Also intended for the same purpose. Now is the time to buy these goods. They are something far different from anything yet shown you

Jersey Flannels, 27 inches wide, all wool, 50c. We are the only house in the city retailing these goods at that price. PATTERN SUITS. PATTERN SUITS. All kinds, all prices. Everything in vogue in patterns now on sale at prices ranging from \$7 per pat-

tern up to any price. Only a few of the \$7 suits left.

We wish to impress the public that our Remnant Room is on the 3d floor. In this room we have any number of remnants at half their value.

Desirable Remnants of Dress Goods, Sheetings,

Desirable Remnants of Dress Goods, Sheetings, Only a few of the \$7 suits left. cotton, Canton Flannels, etc. Sole Agents for the District the already popular Post Sewing Machine." Those that have not yet had an opportunity of inspecting these, we invite them to do so. Come and look. Glad to have you do so. Read to-day's "Post" for reference to our Misses', Children and Ladies' Cloaks.

THE MONUMENT SOCIETY .- At the meeting o the Washington Monument association to-day it was announced that the memorial stone from the state of Oregan, which was described in THE the state of Oregan, which was described in THE STAR some time ago, is on its way to Washington. The first copy of the book describing the dedicatory ceremonies of the monument, held Feb. 21st last, was also received. This book was published by order of Congress, and contains a description of the procession, review, etc., and the orations of Hon. Robt. C. Winthrop and John W. Daniel. These books will be distributed after the meeting of Congress next December.

MINISTER COX'S CHANGE OF LIFE.-In the news items from foreign lands it has been stated that alleged frauds in the American petroleum trade in Constantinople have been by the sultan of Turkey referred to our U.S. minister, Hon. S. S. Cox, for investigation. Mr. W. W. Warden to-day received a letter from Mr. Cox, in which in which, incidentally, the latter refers to the petroleum investigation he is making, and characteristically concludes in the following language: "What a change of my life here; studying frauds in oil (petroleum) in Greece, where Sappho and Homer sung and old Euripides ripped. God bless you," &c.

He calls attention to the report of the officer in charge of bounty, &c., to colored soldiers, and commends the economy exhibited. He expressed the hope that the sender was the holds that the time has come for the repeal of the restriction prohibiting payment of claims to colored soldiers by check. A reduction of six clerks is reported in the estimate submitted for the next fiscal year of cierical force in the paymaster general's office, made necessary by a decrease of work.

Gen. Hazen Talks.

HE DEFENDS THE FORT MYER COURT-MARTIAL AND HAS A FEW WORDS TO SAY ABOUT reporter, said he could not tell just when he would assume the duties of commissioner. He had informed the President that he would be ready in probably two weeks. In looking over the telegrams of congratulation which is a star reporter to-day Gen. Hazen said: "The court was in every way regular, just as is required by law for every military post in the service for minor breaches of discipline."

A Unickasaw Senator Killed.

Hot Springs, Ark., Nov. 5.—Special advices from Indian Territory state that a personal encounter occurred at Tishomingo, Chickasaw nation, which resulted fatally. Hon. Joslyn Brown, member of the Chickasaw service for minor breaches of discipline. had informed the President that he would be ready in probably two weeks. In looking over the telegrams of congratulation which laid upon the telegram which is the telegram of the telegram which is the telegram of the telegram of the telegram which is the telegram of the telegram of the telegram of the telegram of the Mr. Edgerton's table the reporter was struck with the fact that nearly all of them came from Indiana and Ohio, the two states which have been held to be most strongly against civil service reform.

THE BOARD TO BE REORGANIZED ABOUT THE PRICE BOARD TO BE REORGANIZED ABOUT THE ally accept the counsel. The form is exactly fixed by law, and there can be no deviation from it. This fact was not known, which led to reporter in relation to the reorganization of the commission, it can be stated that Messrs. Edgerton and Trenholm are not appointed as spe-

cific successors to retiring members of the board. They are appointed as members of the commission without reference to the retiring members at all. It is understood that ex-Commissioner Eaton will remain here for awhile, purely as a voluntary matter, to aid the new commissioners in organizing their office and putting the machinery thereof in working order. The President is not in a hurry for the reorganization, provided it is accomplished without unnecessary delay. With regard to the third member of the commission, the republican, the President has not yet reached any conclusion, but he may be selected in time to participate in the reorganization of the board, which will probably take place about the 20th inst.

Congratulating the President.

The President continues to receive numerous telegrams congratulating him on the results of Tuesday's elections. Among them was the following:

"NEW YORK CITY, November 4th, 1885.

Grover Cleveland, the President of the United The Calena and the supposition was mainly confirmed. On July 30th, soon after reporting at Myer he deserted, and on the 25th of all suffers of the supposition was mainly confirmed. On July 30th, soon after reporting at Myer he deserted, and on the 25th of August he surrendered himself. On this account he was not tried for desertion, as he ought to have been, but for absence without the very supposition was mainly confirmed. The Interests of Arizona. VIGOROUS PRESENTATION OF THE INDIAN QUESTION FROM A WESTERN STANDPOINT. F. A. Tritle, the governor of Arizona, in his

industry in some of the southern countles, governor remarks; "When the founders of Jamestown were exchanging bales of tobacco for matrimonial partners and when the Puritan Fathers were dickering with the natives of Massachusetts Bay, Arizona had been already explored by the followers of Cortez, and when the bell in the steeple of Independence Hall proclaimed liberty throughout the land, the eral field in the Union. According to the estimates of Wells, Fargo & Co. the amount of gold and silver builion shipped from the territory for the year ending December 31, 1884, was as follows: Gold and bullion \$360,791, sliver bullion \$3,239,628, ores and base bullion \$3,455,-960, making a total of \$7,056,379. To this amount should be added at least ten per cent for raw ores and bullion shipped through other sources. The estimated yield of copper bullion for the same period is valued at \$2,750,000 that of last year. The raising of cattle is assuming an importance second only must be associated with those of Pasteur, Jen- to that of mining among the industries of the country. The estimated number of cattle in the territory at the close of last year was 431,479, and there has been a large increase SAN FRANCISCO, Nov. 5.—It is reported that con-ex-Senator Sharon is ill and that his life is de-spaired of. this year. The report recommends that Con-gress make a small appropriation for testing the artesian water question in the territory. The number of acres under cultivation is 97,000. The report suggests that a hydrographic survey of the territory be made and the best plans for the location of reservoirs be located where water could be stored for irrigation purposes. The population of the territory is now over 80,000, and the assessable property is valued at

The governor is very outspoken on the Indian question, and the theories of meddlesome cranks and eastern sentimentalists who still believe in the mythical noble red men of Cooper's works are condemned. He states that the conclusion now generally accepted is that the Later there was a decline of ½ to 1½ per cent, led by Lake Shore and Oregon Trans-Continental, and after 10:30 a reaction, the market continuing strong during the remainder of the hour. At 11 o'clock the market is active and firm.

Total sales first hour, 168,000 shares.

| Conclusion how generally accepted is that the lumians, especially those of the lar west, are either diseased and filthy non-producing vagations. After citing the atrocities committed by the Apaches, and stating the fact that they were still on the warpath, terrorizing the community, the governor says that the people of the Territory demand protec-tion, and also the removal of the Apaches from the San Carlos reservation to the Indian Territory, or to such other suitable place as the government may designate. If, however, Congress decides to allow them to remain in the territory, the governor recommends that the bounds of their reservation be narrowed; that they be disarmed and maintained under sufficient military guard. The further recommendation is made that the entire jurisdiction over them be transferred to the War department. He is of the opinion that the last outbreak would not have occurred if the Indians had

825,000,000.

been under the entire control of Gen. Crook. The report recommends reciprocal trade relations with Mexico. The Territory of Alaska.

THE NEW GOVERNOR GIVES SOME ACCOUNT

Gov. A. P. Swineford, the new governor of Alaska, in his annual report states that schools bave been established by the general agent of education, Rev. Sheldon Jackson, in several November 16. The fact that eastern manufac- parts of the territory, and money is asked to turers have advanced their nailers' wages ten extend this system. The governor expresses no opinion as to the merits of the dispute between the general agent and the people of Sitka and the late officials of the general government, on the ground that he has not been in the territory long enough. The population of whites number 1,000, and of natives 7,000. The report states that the climate is such as to produce luxuriant vegetation in southern Alaska. The gold mines on Douglass island, opposite Juneau, are in full operation and very rich. The curing and canning of cod and salmon has assumed large proportions. Recommendations are made that the boundary lines be defined, the construction of a trail from Chilcoot Inlet to the headquarters of the Yukon river, the establishment of a native hospital and the erection of a jail building. The law prohibiting the liquor trafic is said to be disregarded, and the importance for a clearer, less am-
